

We've all been through alot these few months but we are glad to be re-opening our facility. We know you are all eager to get back to family out of home entertainment, we look forward to welcoming you back to the non stop fun, awesome new games coming soon and delicious food!.

As health and safety are our top priority, we have been working diligently to heighten our health and sanitation standards. We've made sure our staff members are knowledgeable and trained on the safety protocols set forth by the Government and health officials of Jamaica. It is our priority that our Team Members and Guests are in compliance with current safety protocols.

We are taking every precaution to ensure that you and your family feel confident enjoying fun time together in the safest environment that we can possibly provide.

At cocojam several added precautions include:

- Touchless temperature checks upon entry (required for all employees and guests)
- Customers and Staff MUST wear face coverings (MASK).
- Required hand sanitizer use for guests before entering and hand sanitizing stations available throughout our dining and arcade room areas.
- Parties will be available by private reservation during special hours
- Scheduled cleanings of our games, restrooms, and dining room on a constant basis, or at minimum, every 30 minutes.
- Limited Attendance capacity
- Limited attraction participation

Temperatures will be taken and guests with fever (100 degrees or higher) or symptoms of COVID-19 will not be permitted to enter

Face coverings are mandatory for both adults and kids upon entering.

Hands will be sanitized upon entry and often during your visit by sanitizer stations provided.

Exercise appropriate respiratory etiquette and wash your hands often during your visit

We advise additionally to:

- Stay home if you feel sick or are showing symptoms of illness.
- Wash or sanitize your hands frequently.
- Practice social distancing with other Guests.
- No more than 4-6 guests at your table.
- Protect others by wearing a face covering when not engaged in eating or drinking.
- Sanitize your hands after the payment process.

We have taken enhanced health and safety measures – for you, our other Guests, and Staff Members. Please follow all posted instructions while visiting cocojam. An inherent risk of exposure to COVID-19 exists in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death. According to the Centers for Disease Control and Prevention, senior citizens and guests with underlying medical conditions are especially vulnerable. By visiting cocojam, you voluntarily assume all risks related to exposure to COVID-19. If you do not wish to assume this risk, please return at a later date. Let's be safer together.
